“ Harry Henneman was my friend, and he will be missed! Pastor Henneman was a true man of God, his heart was so full. Pastor and Dottie welcomed Patricia and myself to their church many years ago, meeting with Pastor and his congregation was a life altering experience for us. We find peace in knowing the Pastor is in the Hands of the Lord as we speak. Well done my good and faithful servant.

“ Our family thought the world of Pastor Henneman. Truly took our young family into his loving care and was the reason we became members @ Trinity over 30 years ago. We weren't even members yet and he sat with us at the hospital while our son Erik at 11 months had a very long and extensive heart surgery. He would not leave our side, and it was the good part of the day, until the doctor came in and said our son's surgery went well and all was good. Always smiling, always encouraging, and always loving.... Truly a Pastor of great faith who shined the light of God's Love so very brightly.

*Our deepest sympathy goes out to the entire Henneman family.

“ He was our pastor at Immanuel Lutheran in St. Clair. Awesome pastor and friend! My husband and I went through a rough time, we lost a baby and I was very sick. He never left our side. If it wasn't for Him praying and guiding us through it not sure where our faith would be! God Bless! Heaven has gotten a beautiful man of faith! Prayers for all of you!!

“ My family moved to Michigan in the 90s after my Dad accepted a call to join Pastor Henneman's team as DCE at Trinity. I got to know the Henneman family as we temporarily moved into a home behind the church next door to the Henneman family. Pastor was always so warm and approachable. I will always remember his big hugs and bright smile. As a kid he made me feel safe. Pastor Henneman taught me about my Savior and showed how to walk the walk as a man of God. What a role model this fine gentleman was! My most impactful memory of him was when he carried the cross down the aisle on Good Friday services. His physical toiling to drag that cross was such a powerful visual example of Jesus' love for us. I'll also never forget his sermon close of "think about it, won't you?" That always challenged me to apply his lessons to my life. Well done good and faithful servant! Condolences to the Henneman family.

“ I am so sorry to learn of Pastor Henneman's passing. He was a wonderful man and pastor who married my husband and I in 1983. He bestowed some good advice and counsel for us at our pre-wedding meetings. We were blessed to have him in our lives.

“ So sad to hear of Pastor Henneman’s passing. What a very special man he was and what a very special gift he had of making folks feel he was genuinely glad to see you! I first met him as we were trying to sort out the debacle at LHN. I appreciated him then but even more when I later began attending Trinity. He was a blessing to many. Condolences to Dottie, Matt and Sarah.

“ *What I remember most about Harry was his face. His smile was always welcoming and friendly. His eyes showed patience and love. When we had our Graham summer ham get-togethers, he would help with the grilling, listen to us chat away, and silently disappear to pursue another interest with a plate of goodies. His life of fellowship and love of his family is a shining example for anyone who ever had the opportunity to be around Harry. Vicki Fraternal*

“ *When my friend and I visited Harry in his workshop on the St. Clair River, we had the pleasure of experiencing the artistic skills of Harry's carvings. Each piece was so unique and had exquisite details. They were truly pieces of art. I will never forget the tricks he shared about his work. Being with Harry that day, will always remain as a special memory for me. Thanks, Harry. Jim Fraternali*

“ *"When I grow up, I want to be just like you!"*

*As a little kid at Trinity, I spoke those words to Harry, quite matter-of-factly, after a church service one Sunday while shaking his large hand. He would always hold a handshake a moment longer than expected, despite the congregation lined up behind me. My goodness, those hands were big! But so gentle and so kind...*

*I also remember his laugh. He and Dottie could laugh and make a room laugh with them. While singing the Beatles' song "When I'm 64" at a milestone celebration for Harry many years ago it was hard for me to keep a straight face and a steady voice as he was smiling and chuckling the whole time...*

*There are so many memories that I would love to share with you all, Dottie, Sarah & Matt. I know it's been a while - our visits from Germany are few and far between - and I was so looking forward to introducing you to our little Joshua the next time we're stateside.*

*We wish you all the strength to focus on not just mourning, but also celebrating the life of a wonderful man who we all loved very much. Please know that we're thinking of you from afar!*

*Hugs from Bavaria, Germany

“ Matt, Sarah and Mrs.Henneman, it is so sad to say goodbye to such a lovely person. Had to post a favorite memory in honor of Pastor Henneman. My wedding day, July 1, 2000 and he agreed to perform the ceremony on the beach of Lake Huron. This was when Who Wants to be a Millionaire game show was so popular. Pastor asks Jeff, "...do you take Diane to be your..." Jeff responds..." I do"...Pastor "is that your final answer?". Ha Ha!  
Later he said he was not sure whether or not to use the line until the very last minute.  
So funny. So sweet. So genuine. Take heart in knowing you will be with him again.  
Hugs, Diane

“ *I met Pastor Henneman when I was 8 years old. I went through Sunday school, Confirmation and he was our Pastor when Korey Hart and I got married. A few years later he retired and moved away but I still saw him and Dorothy in church. He always made an effort to give me Bear Hugs and ask how my parents are doing and then ask about my sister and brother. I love him and will miss seeing him. God Bless him and his family.*
