“ I love Reverend Moos , so much, a man of God, a godly man. A kind man, a shepherd of his flock. He will hear "well done, good and faithful servant" . He helped me when I needed it almost 40 years ago, will never forget him.

“ We are so SADDENED to hear of the passing of our beloved friend, affectionately known as Brother Herb. So many wonderful memories we have of him. We felt so blessed at he taught catechism. His lessons were so clear, they seem to come to life. He made us belly laugh a lot, telling his corny jokes (which he loved) that was like medicine for our hearts. For me personally?...I was gratefully blessed to have had the privilege to work (for him) for so many years (that felt like days), His 16 year marriage to Jackie was obviously a match made in heaven and everyone could see it was. Together they were a blessing to their church family. Bro Herb will truly be missed. We grieve his passing, but not as those without hope. Our continued prayers for the family. 🙏 Much Love to all ❤️

“ I loved you Dad. Goodbye, Your daughter Judy. I'm so sad that this is the only way I am able to say good bye to my Dad. Due to being petty, his wife and my sister made that decision for me. They didn't allow me to see him and sadly I wasn't even told he was in hospice but I did get a phone call from my sister the day after his passing The last time I tried to see my Dad was when I called him and asked him if I could pick him to go get something to eat. When he told his wife he wanted to go, she took the phone from him and told me No I wasn't allowed to see him and then hung up on me. I immediately called my sister and was told the same. So the last words I heard my Dad speak was him in the background saying "But I want to see Judy" I have both severe rheumatoid arthritis and scoliosis making going anywhere difficult but I would have gone out with my Dad. But I won't be at the visitation or the funeral because I don't want my presence to cause any disruptions. The only person I would have really wanted to see was my Dad when he was alive. I would like to thank everyone who has paid their respects to my Dad.

“ Very deeply sorry for your loss! I gleaned from being taught by this faithful diligent servant of God, Rev. Herb Moos, in Catechism I in 1974. 🙏 for God's comfort and peace for the whole family!

“ We have so many fun memories of "Brother Moos" ... He was always ready with a joke (or a jab). My parents and in-laws were close lifelong friends and ministered to others in many ways through the years. We were sad to see him so lonely after Fran passed, but God had a plan by bringing Jackie into his life to fill the house with laughter and love again. What a blessing! Our prayers are extended to the whole family!

Our sincere condolences to the family of Brother Moos. His influence and love in my life made a very deep impact. Bro. Moos baptized me in youth catechism and he then years later came to minister to our sons funeral. Bro. Moos also came over our house for dinner and explained to our daughter Sarah the purpose of being water baptized. We will always remember his gentle words and teaching. A great man of God. We loved him and so appreciated him. Rachel & Rob Korth

“ Glenda and Jim Quire have many fond memories of Bro. Herb. He had a great impact on our spiritual growth. We had the pleasure of being members of his young married class and before we had our own class, we were his assistants. Bro. Herb was an outstanding teacher with compelling charisma. He could mix sincerity with laughter. We knew him as a great friend who was willing to help you any way he could. He helped us repaint the interior of a used home in our early married life and always available to help us in preparing for class parties at our home. He loved people and was willing to get involved in their needs. A great man has left his mark on us all.

“ I don't have the words to say how much I love and appreciate Brother Moos. He has had so much influence on my family. He lead my dad and mom to the Lord and baptized both of them. His visits and conversations with my father-in-law Gillas Jones before he died were so comforting and beautiful. Brother Moos was visiting Gillas week before before his passing. I will always remember Brother Moos final words to Gillas as he was leaving after a visit. He said, "Well good buddy we have had so many great conversations but I guess our next one will be in heaven." I guess that conversation is going on now. Thanks Brother Moos for the love and kindness you have shown to my family, myself and Arnold! Also, thank you for the many years of commitment you gave unselfishly to our church. I also want to thank you for the many corny jokes. You had so many...they will live on. Rest in peace my dear friend. Josie and Arnold Jones

Brother Moos is the man that placed his hand on my shoulder to pray for me during my adult confirmation. That moment I will remember forever and Brother Moos touch, I can still feel. His service to others, his compassion to others was an example to all. Rev. Herb Moos, Thank You.

Herb and Fran were wonderful friends. We had many fun times at lunch with them. Fran took Bob in hand to make sure he received the Baptism of the Holy Spirit. We loved their classes. They were great teachers and solid as rocks in their faith in the Lord. I know I'm talking about both of them, but that's how I always thought of them. Herb was one of the funniest friends you could have. He and Fran would get going and how we laughed. Paster Herb Moos you were loved.
