“ Linda and family- So sorry to hear of your loss- I appreciated the opportunity to talk with Hugh when he would stop by the hardware to pick up something for his next project or to see Matt.

I know he passed on many of his mechanical talents to his son's and it will now be their job to pass the knowledge on to the next generation.

He will certainly be missed but as you share the knowledge he showed you it will be as if he is there guiding you once again.
