“ *My mom was the pillar of strength for our family. Always having a kind word . One of her favorite sayings was “you don't hate anything, you just don't like it” .Her smile could brighten anyone's day. Mom you will be missed more than you will ever know. She would listen to anyone who wanted to talk , never judging anyone. Thanks for always be there with open arms and an open heart. Love your son Robert XOXO*

“ *My mom was a perfect example of a Loving Wife, Mom, Grandmother, and Great Grandmother. She was a vibrant, glass half full mom, who loved life, all 98 years of it. Mom was my Rock, who was always there for me. Her love was unconditional, and the best love a mom could give. Mom is with God now, smiling down at us, knowing we will all be together some day in the future. God Bless Mom and our Family.*
