“*"My sincerest condolences to Izzie's family in his passing. This "old timer" goes way back the beginning, with Izzie & Annette here at Forest Lake. They were the "poster kids" of volunteerism. Their contributions to this lake community are too numerous to list. The most visible being the two playscapes in the main park. The Forest Lake community has lost two beloved icons in the passing of Izzie and Annette Cipriano! They will forever be remembered for their many years of dedication and love of this lake community!"*

“*"Izzy and Annette were one of our first friends when we moved to the neighborhood in 1967. They remained good friends to this day. They will both be missed. I know that Izzy is now with Annette and Marlene in heaven. May he rest in peace."*

“*"We're so sorry for your loss. He and Annette were a "special" couple, and so liked by their Forest Lake community! If we went to their place for a visit, Annette was always dressed up, wearing her pearl earrings and necklace, and he made sure that everyone has enough to eat/drink. We always told him how much we liked those Better Made Potato chips and it made him smile. He was so nice to everyone he met. God surely greeted him with wide open arms!!! Gary & Gail Schoenherr"*
