“ *It's so hard to imagine a world without his smile and the glint in his eyes, so, instead, I reflect on many wonderful happy memories. He brightened so many days for me and everyone he came in contact with Caroline, my sons, nieces and nephews shared fond recollections.
I trust that, now and over time, his memory will be a source of blessing for Rose Jeff, Michele and Kevin and his vast array of friends and admirers.

“ *In German they say, "er fehlt mir" which I was taught means "I miss him." But the literal translation is closer to "he's missing from me." That's how we feel about you, Jim. You were such a bright light and are so very loved by so many of us forever. I wish we all had more time together. Every time I see your picture, I feel a lift in my heart just remembering how much warmth you brought for people (myself, my husband, and my kids so very much included) wherever you went.*

“ *Dearest Jim -I feel such a loss. I have known u since school days in early 1960's. Some 60 years. You & Rose & I were like The Three Musketeers at times. You proposed marriage to Rose in my apartment. I'll never forget all the memories or your great, crazy sense of humor & what a caring person you always were.
My prayers to you my Dear Rose & all of your family. I'm so sorry for your loss of this great guy.
Jim, I'm going to miss you, my Friend. Rest In Peace now. Love, Marie Ruen*

“ I only met you a couple times, the one thing that stood out about you was your jovial personality. The life of the party, the guy you always wanted around. We will meet again someday, until then " I'LL RAISE YOU" !

“ We are deeply saddened by the loss of our friend and co-worker Jim. For the past several years Jim was a great contributor to the Metroparks. Stepping up whenever needed, Jim loved interacting with the hundreds of people he'd greet in the tollbooth, disc golf or at the holiday events. Jim was always a great conversationalist and a great listener who could especially give his younger co-workers perspectives from what his life had shown him so far. I will truly miss the stop-in visits to the park office while out on his walk, and the phone calls saying "just let me know what you need from me, I like to help". You made my life better in many ways, I'm thankful for getting the chance to know you.

“ Someone once said that people will forget what you said and forget what you did
 but people will never forget how you made them feel. Jim Caldwell took the
 greatest joy in bringing laughter and light to countless people on a daily basis.
 The sun seemed brighter and you were always happier after seeing him. He
 made you feel better. Always. He did it for his family, for friends, for
 acquaintances...and for total strangers. It was an extraordinary gift. RIP dear Jim.
 Our deepest sympathy to Rose Jeff, Michele and Kevin.

“ I moved into this complex just after my husband passed, and one of the first memories I have is seeing Jim and Rose with their family holding a little birthday party for one of their granddaughters. You could feel the love emanating from the Activity Room.

I saw this love directed towards his wife and family and even expanding to those he just met.

Over the past few years, I enjoyed seeing him with Rose, or sometimes by himself, enjoying time with his lovely little granddaughters and watching them together, always made me smile.

He had a funny if impish sense of humor and kept things from being dull. This was even more appreciated the past few months as the news got scarier, and the lockdown more oppressive. He, had a way of making the day seem brighter and more fun even if everyday was like "Groundhog Day".

My heart goes out to Rose and his family, but I know they will always feel blessed that he was in their lives.

“ I met Mr. Caldwell during my high school years. He was always kind and I don't think I can recall a time when he was not smiling. Last summer, I ran into him at Stoney Creek Park. We only had a couple minutes to chat; however, it was enough time to remind me how pleasant Jim was. My thoughts are with the entire Caldwell family.

“ *We Played Texas Hold-em with Jim every week at the Romeo, Imlay City and Washington Senior Centers. Jim was the most pleasant man you could ever meet. He always had good things to say about his fellow poker players. His favorite funny saying was that his wife only gave him \$ 3.00 a week to play cards. It always made us laugh. We will miss him dearly.
Our sincere condolences to his entire family.
