“ Such a huge loss for our VAD Camp family. I think Jennie loved camp more than anyone else and was the saddest to leave. She was an absolute joy to have in my cabin all these years. It was one of the greatest privileges and blessings to have known her.

“ It was a pleasure to have Jennie at the group home that I managed a little over 5 years ago. She loved going to workshop every day and seeing all of her friends and CEO staff, who loved her so much! She went on many outings and vacations with us over the years. I'll never forget taking her shopping for new wardrobe items, she was always dressed in style. Jennie was a sweet soul, even on bad days she always found a way to laugh about it. I will miss her dearly, especially at VAD camp! She was my camper every year I volunteered there and we had some fun times together. I know she is in heaven and happy with her father and sister. RIP angel you will be forever in my heart!
