“ Dear Dan, Susan, and Dave,....It is with sympathy I send this note with some many special memories. I was in their wedding 63 years ago, at the age of 17. My parents and myself had many special holidays with your grandma, Agnes, and both Lindy and Joan. I remember the many times that your father, Dan, would sit down and play my piano when they came to visit. I still recall the Thanksgiving Day the Hallman family drove to my parents on St. Marys in a snow storm; we all went outside and played in the snow!

At my 80th birthday/ friends reunion last August I gave Susan the little perfume vile that was my gift from your mother at their wedding. It was silver and engraved with the date of their wedding. I am pleased that your family could attend. Please excuse me if I don't attend this week as you remember your Mom. Unfortunately, my husband Gene has had a bacteria infection in his leg (Cellulitus) since early June. Since then he has been on numerous antibodiacs for this infection. So, I have been the care giver, driver, and full time house keeper! My memories from my child hood are very vivid. I was blessed to have had the friendship with the "Hallmans" over the years. Thanks again for attending my special friendship gathering last August. Hopefully, we can share again at a more joyful time with your family.

Love to all, Rita and Gene, my family too Jeffrey, Kristi, and Gregory.
