“ Dear Ahee family

*I want to send my most sincere sympathy. I had the pleasure and blessing to meet John when my ex-husband took me to look for an engagement ring. He really went out of his way to find me the most beautiful ring for our small budget. One day I decided to write to him and thank him. He responded right away with the most sincere, humble, and grateful email.*

*Recently I wanted to thank him for participating in the PBS special on Fr. Solanus Casey. I was flipping through the channels and recognized him. So I stopped and watched. Had I not have met him, I may not have stopped at that channel. If he didn't participate on the PBS special, I may not have known about Fr. Solanus. I know that God worked through him to draw me to Fr. Solanus. My family needed to pray to him for my sister. I thank God for His divine plan and thank him ahead of time for my sister's recovery.*

*I noticed his funeral liturgy on the Solanus Center's website and was deeply saddened that I could not thank him in person. I hope that this message finds his family well.*

*Sincerely*

“ I had the honor of working at the shop for a year. On occasion, I would give John a ride home. He would always tell me how thankful he was for for each day he had on this earth. He didn’t let his medical issues stop him from doing what he loved. My thoughts and prayers are with the entire Ahee family during this difficult time.

“ This is indeed very sad news. John was one of the kindest people I have ever had the pleasure to cross paths with. I worked with him on many occasions promoting the family business and it usually ended with HIM promoting me and my products! Always thoughtful and thinking of others, John never missed even when sick a kind note or gift for those he thought of ahead of himself. He was a true gentleman in the strongest sense of the word and a total man of honor and integrity. I was fortunate to connect with him via social media late this Summer when I heard he was not feeling well.. I knew it was John responding because he often said "thank you" MANY times when you were with him. My best thoughts are with the Ahee family that are also a one of a kind group. John will be greatly missed, but forever celebrated.

“ Over the last ten years, I have really gotten to know the Ahee family. John was one of the most gentle, kind, and genuine people I have ever met. Every time I came into the Ahee store, he not only gave me a warm welcome, but always gave me a hug! Connie always spoke so highly of him, and I could always see why. He was a phenomenal man, and will truly be missed by all. Prayers and comfort sent to Connie, the kids, and the entire Ahee family. Love you guys, XOXO
