

## John Bolmowski

December 9, 1951 - November 15, 2021

BOLMOWSKI, John. Passed Suddenly on November 15, 2021, at the age of 69. Beloved son of John and Rita Bolmowski, whom he cherished – and have preceded him in passing. Loving father of Tara (Mark) Moore. Proud and adored grandfather of Madalyn and Matthew. Resolute step-father to Jennifer (Raymond) Kerschenheiter. Dear brother of Geraldine (the late Paul) Botens and Joann Orban. Loving companion and best friend of Judith Churchill. Endeared friend and former spouse of Helen Riviera. Treasured Uncle of Dawn Jensen, Theodore Orban, and John (Liza) Orban, Denise (George) Saputo, Edward (Coleen) Lizewski, and Mary Lizewski. John leaves a multitude of family members he loved making memories with, many of which are great and great-great nieces and nephews that looked up to him. His joys included all things sports, whether it was watching or participating. His hometown teams were often disappointing, but that did not change his loyalty – especially for his Lions. He will be comforted to join another love in his life, Chloe - his beloved dog whom he cared for deeply. He looked forward to Christmas and the first snow fall. He had an affinity for fireworks, and putting on shows that his family and friends will always remember. Whether it was a party, or just a get together to toss around the football and enjoy the company – John always found a way for his jolly and warm demeanor to shine through and impress upon those around him. Late in life, he found excitement in traveling and experiencing adventures with Judith, experiences that seemed to match his larger than life personality. John will always be remembered for his kind and welcoming soul. His family and friends come from all walks of life and will agree that he spread happiness wherever he went. Many will certainly have a memory of playing basketball at the local park, or singing karaoke much too loud. Some may have seen his work ethic, or had conversations where he shared his excitement and pride. All will concede that they were better for having known and spent time with John, and that he will be greatly missed. “ *John and I were cousins but I looked at him as a friend and brother !! We had a great time growing up back then !! Playing softball on teams and racket ball leagues and working out at Vic Tanny !! And partying having fireworks !! I remember the time he ran into a fence going after a ball and scratching his nose and still playing !! A tuff Bolmowski for sure !! I spoke to him on the phone a few days he past away i even had a few voicemails I wish I'd save !! I remember Tara when she was a little girl she always was with her Dad I always thought she was such a sweet girl*

*Grandma about killed me when I was a girl. All because I decided to put on Uncle Johnny's cleats and run through her house! I scuffed up those floors pretty good. Uncle wasn't mad though. He laughed! He taught me how to throw a football and took me along when he took Tara sledding at Derby Hill. Those were the days! I have many happy and funny memories spending time with him. Oh and the way he used to tease Ginger! "Wraggy, wraggy, wraggy" he'd say, when that dog took the dishcloths and ran behind the sofa. So many memories. Watching him in the pierogi eating contest...just listening to him tell funny stories from the past always made me laugh hysterically. I will remember Uncle Johnny's humor the most.*
