“ Lots of great memories with John, Walter, and the Carpathia members. I was always amazed at all the attention John received as we sat and enjoyed Labatts n Jager. Many, Many, rememberable evenings were enjoyed. RIP Big guy.

“ We haven't known John very long. We will always remember when Joyce walked across the street and introduced him to us. We were so happy for them. He was a kind and gentle man. Our condolences go out to Joyce and his family.
