“ There is not enough space on this page to share all the memories that we have made with Johnny Judy and the family. After knowing the gentleman for over 30 years you can not pick out just a couple of memories. From sharing a beverage around a camp fire or cooking lunch for a crowd at the annual canoe trip to the deer hunting trips you always knew if Johnny was there you were going to have fun. It sadden us deeply to be losing, for a time, a friend like Johnny. We are going to miss you more then words can say. Hugs and kisses to take with you on your journey Johnny, until we meet again (at the Moose Lodge in the sky).

I was at a loss for words, the memories you described are the feelings I will always have in my heart. The memory of the week John and I spent up north during bow season when I was in my 20's will always be remembered. He taught me a lot that week
