

John Thomas Valenti, DDS

September 4, 1937 - September 4, 2020

VALENTI, JOHN T. DDS Age 83 September 4, 2020

Dr. John T. Valenti, AKA "Doc," was a class act! He started his practice in Macomb County in 1964 after graduating from the University of Detroit School of Dentistry. His practice quickly grew due to his caring manner, his professional skills, and outgoing personality. John retired in 1997 and was able to more fully pursue his loves of golf, fishing, and Red Wing games. His interests took him many places and he developed many meaningful friendships though the years. John and Jen were married for 39 years. Their love for each other will always be "unforgettable." He was a devoted father and an adoring Papa. He cherished his Italian heritage and was proud to visit his homeland. John was young at heart and lived life to the fullest. His family and friends loved him, his patients admired him, and he returned that love and admiration many times over. He took us all on one fabulous ride and now we say goodbye as John would have - "Ciao."

Loving husband of Jennifer "Jeanne". Loving father of Lisa (Tim) Manning and John Valenti. Proud and loving grandfather of Matthew, Michael, Jordin, Mark and Johnny III. Dear brother of Andrew (Vlinda) Valenti and Thomas (Sara) Valenti. Predeceased by his brothers Joseph and Frank Jr. and his sister Paula. Also survived by his loving daughter-in-law Janis Valenti. Due to Covid conditions, a celebration of John's life will be determined at a later date. In lieu of flowers, the family has requested donations to the Dr. John T. Valenti fund at the University of Detroit Mercy School of Dentistry, 2700 Martin Luther King Junior Boulevard, Detroit, Michigan, 48208-2576 (Checks must be made out to Detroit Mercy Dental, memo of "Dr. Valenti Fund") or online at <https://dental.udmercy.edu/give.php> Please share memories with the family at their "On-Line Guestbook" @ Wujekcalcaterra.com

“ *My brother and I would always get golf shirts for Christmas from Uncle John, they were from Jawars Golf on Gratiot, back then we had no golf fashion, nor were we into golf so we always thought they were the gaudiest shirts, but if I knew then what I know now I'd cherish those shirts! I always enjoyed watching my father and his older brother Uncle John at grandma & grandpa's during holidays and how they empty grandpa's jug of Manhattans, few memorable moments there! Uncle John always had that infectious laugh, going miss talking with him, loved his Florida storys in the Keys.*

“ I will always be thankful to Uncle John for mentioning the benefits of tart cherry juice for arthritis years and years ago. At the time it wasn't a concern of mine but now that it is I can say that it works! On the other hand, I'll never forget that he suggested, as our dentist, to Mom and Dad (his brother Joe) that we chew wax instead of gum. Yuck. If you don't believe me, try it. “ Coming in from a day of fishingthe Captain was always teaching . 🚩 True story when we started our day.the mate showed everyone what a spinning rod was how to use it so when we hit a school of dolphin (not flipper). We Would know what to do . It's fast and furious so you have to be ready .. easy right?. An hour out The Captain yells from the bridge grab the spinners it occurred as we looked like a Chinese fire drill running here and there we knew what they were just not Where they were. If you look up in a charter boat they are hanging down from the ceiling . I thought Ted flew down he was there in a second grabbing the rods down and shoving them in our hands I knew then he was serious about his craft ... the whole dolphin school lasted crazy exciting minutes . I think we took the Captain and Hus wife Jan out for Dinner and all had a good laugh

Love love love this picture of John..... yes he liked to have fun and help people with their game but he was intense and competitive..... he is laser focused and intent on winning... looks like he's a pro . Gave out a ton of golf balls to kids learning ... regripped a putter for a friend Dennis in Florida ... liked to see people enjoy what they were doing... if you were better and he could help give you the tools or tips he took the time.... 🏌️

“ John didn't tell me how to be a good dentist...he SHOWED me. He showed me the value of respect for patients, staff and friends. There isn't a week that goes by that I don't ask myself, "what would Doc do here?" If you didn't like John Valenti, that would be on you, not him. John was truly one of a kind and will be missed.

“ *The first time I met John was through Brother Tom. We shared some really good memories through the years. We had the chance to play golf together a number of times but I never beat him, ever. I'm sure John found real humor in that. It was always a pleasure see John through the years.*

It was sad to hear John passed. Keeping the family in our thoughts and praying the memories of the wonderful times shared with John bring all of you peace and comfort.

Our prayers are with Jennifer and the entire Valenti Family at this very sad time.
