“ Donna, I think of Joey often with that big grin on his face. I have been retired for 21 years, but he is one of the first students I had in Hillsdale. I remember what a challenge he could be when he wasn't interested in a subject and what a delight when we studied something we were interested in. He came back to Davis Middle School and talked to me several times after he went on to the high school and I was always glad to see him. This is the third time I have written a memory on this page and it always disappears when I get about here so I will stop and try to keep this one. Carol Murphy Haviland.
