“ *She will be missed by all of us at the Monday morning bingo. She hardly ever missed coming to our bingo on Monday mornings, and she was a good bingo player. She won pretty often and she really enjoyed playing bingo as much as we enjoyed seeing and talking to her. RIP Josie.*

“ *Andrea Bradacs I am truly so very sorry for your loss. Your mother Josie, was so very special and loved by many near and far. She was such a loving, caring and joyful person. I will never forget all she did for my wedding and all the great times we had before I moved out to Cali and the delicious food we cooked, cannoli we made in the basement and the crazy laughter we all shared, especially when Lena read our cards and told us our future or how a problem would be solved. I'd come by and tell your mom about something and she'd call Lena and ask her to come and bring her cards. I love that I have these fond memories and so many more of her as they are a huge part of my life back in the 1970's and Early 1980's. She has to be one of Our Lord's angels and making him 😊 laugh hysterically. 🙏🙏🙏 Praying for you, family, and friends that God wrap you all in his arms for comfort. Godspeed Josie Bradacs, 🌹💋 Godspeed! 🌟🌟*

“ Josie was truly one of a kind.. She had the ability to walk into the store, and even if I was having a horrible day, I would feel instantly better knowing she was near. She was effortlessly hilarious. Her laugh would brighten the room. Her light-heartedness was contagious. On January 5, 2019, she walked into my store and I knew it was her 90th birthday because she played 1529 (her birthday) in the lottery. I don't usually drink a shot of tequila at 1pm on a weekday, but for Josie's 90th, I was down to break the rules. When I read the news on FB, I was instantly crushed. She was not a customer of mine, she was more like my Grandma. My Aunt. My friend. I would open up to her in ways I wouldn't even with people I've known my entire life. She wanted me to get married so bad, I told her I would seat her next to my Mom at the wedding. That would make her smile. Josie, you will be missed.

“ Anyone who knew Aunt Josie can say, She was an Original! There was no one like her! Her laugh was the best laugh in the world. When I close my eyes, I can hear her laugh. She was loved and will ALWAYS be loved by so many people. Andrea, you now have two Guardian Angels to watch over you! May all those happy memories that you have with your Mom, live in your heart forever. Love You Lots! XO

“ My daughter Melanie stayed with my mother-in-law , Lena, the last summer she was with us. She mentioned the times Josie visited her and she said they were both very feisty women! May god be with her and her family during these hard times.

“ Aunt Josie was a very special and unique person who could make anyone feel like the only person in the room. She's always been so sweet to me and when Ora came to this country knowing no one or nothing it was Aunt Josie who made her feel loved and part of the family. Her memory will endure in all of us and our Sympathies go out to Andrea in this most difficult time.

“ Andrea, your mom was one of the best Aunts I had. I Remember all the fun my sister and I had with her when I was a child She took us to the show and all the picnic with the family. She alway enjoyed life. The card games we had on the holidays and all the dances with the hy-lighters. She was sometimes the life of the party.

*I loved her with all my heart and I will alway miss her*

*You take care of yourself and always know your family is here if you ever need us*
