CALL, Judi. August 31, 2022. Age 78

Born on October 20, 1943 in Elizabeth City, NC

Judi's life was an example of a life well-lived. Judi loved deeply, lived each day to the fullest, and was never one to pass up a party. Judi had a style of her own, and was always impeccably dressed with shoes to match! She wrestled with her relationship with God throughout her life due to some difficult losses, but eventually she was fervent in her belief that the Lord had provided her with a wonderful life and during times of trouble, He always sent her an "angel" or two to help her through those tough times.

Although her earthly light has dimmed, we truly believe that her heavenly light is shining brightly as she once again reunites with her family and friends that have opened the heaven gates for her. Please take comfort in the fact that she was not in pain, she has been surrounded by love and prayers throughout this journey, and she left this life peacefully.

Judi's family is truly grateful for all of the support, prayers, and well wishes over the last year. We know that your kindness and fervent prayers allowed Judi to have this extra time on earth with us.

While our hearts are broken with the loss of dear Judi, we take solace in the fact that her belief in the Lord and His promise of eternal life in Heaven made her unafraid of leaving this world for a better place. She would not want us to be sad, but instead rejoice in the fact that she is at peace and in heaven with her loved ones.

So, the next time that you feel the warmth of the sun on your face, know that Judi is smiling down on you. Tonight, raise a glass to Judith Riddick Call and celebrate a life well lived. She will likely be toasting with each of you!

“ *We are so sad to hear of Judi's passing but we choose to remember our Florida neighbor dashing across the street, always fashionably dressed, witty, sassy and laughing 'til she cried. We will be raising a glass of prosecco in her honor. The sun has set on an amazing life. x Shona & Joseph*

“ *Judi was one-in-a-million! She laughed easily, cared deeply and loved her family and friends passionately. Too many wonderful memories from which to choose, but I can imagine our lives a bit duller without this lovely spirit among us.*
