“ It is with sad heart to hear of the passing of my dear friend yogi. My deepest sympathy to his family. We were high school friends and continued our friendship over the years. Over the past several years we would meet for breakfast each month and talk about family and our businesses and so many things. We met just a few weeks ago and talked of the up coming new year and hoped it would be a better one for all. I will surely miss these visits and my friend for so many years. Let the wonderful memories of him help all of us through this sad time. May God bless his family and all who knew him. I will surely miss you my dear friend. Larry Ripari
