“ *I had the pleasure to meet Julia 10/20/2015. I was part of a BCBS benefit visiting  
in on her after hospitalization and I recall her saying to me "I am not sure why I  
need this". I am so fortunate that she came around, as I believe she truly  
benefited from the support, but for me the visits with her were one of my favorites.*

*We would discuss the routine topics of blood pressure, medications, appetite,  
sleep and use (lack of use) of the walker without much enthusiasm. When the  
topic changed to socialization including her family, grandkids and telephone calls  
with good friends she lit up! She made it very clear to me that her grandchildren  
are the brightest and best!*

*I often say, in my role I gain just as much from my patients than they gain from  
me. I admired Julia's work ethic, her perseverance, her quick wit with a little sass  
and most of all her love and appreciation of her family and good friends. I am ever  
grateful to have been part of her life for the past 5 years and our visits will be  
missed.*

*My Sincere Condolences,  
Marcy Binford*

“ *We've known Julie over 40 years. We shared rides to Chrysler with the van group. All seven of us would sing of course led by her. When she was typing at work ( remember typing?) she always sang "Tumbling Tumbleweeds " Everyone smiled.*

*I remember when her mother-in-law died and she had to leave work. I drove "Big Brown" home. She loved that old Dodge because she and Walt bought it together. There were so many memories for her and that car.*

*We had many garage sales together over the years and shared a good time and good food too. Of course we bought from each other.*

*Julie was a good friend to talk with. She listened and always had good advice. We talked often and always closed our phone calls with "I love you". Or "I love you more"!!*

*We have many photos of the many celebrations together, birthdays, retirement and graduation parties. And of course dinners at her place. She included us.*

*She loved her family. She loved her Savior Jesus Christ.*

*To every follower of the Lord  
There comes a time  
When they will hear God say,  
Welcome Home.*

*We'll miss you dear friend. Until we meet again. So many wonderful memories.  
Love you and miss you always, Mary Jean and Graham Baker*
