“ *Julie will always hold a special place in my heart 💜. She was one of the best friends and waitresses I've ever met in my life. My Dad (Joe Kemeny) introduced me and my family to her at Dimitris where we met on Sunday morning for breakfast. We all adored her, especially him. My Dad wasn't always "easy to please", but Julie knew exactly how to handle him and put a smile on all our faces. She was an exceptional person in her kind heart, caring, and perfection in everything she did...she will be missed terribly. I will always cherish the wonderful memories I have of her at the restaurant and the bond we shared outside of work. May she rest in peace. She has made a huge impact on me and my family that will never be forgotten.*

*My deepest sympathies go out to her family, especially Julia, and her friends 🙏💔*
