Marco, Natalie, Cheryl and Aunt Jean,

We cannot express in words how sorry we are for your loss. Your Mother...Sister... Daughter was truly a caring lady. Full of life, a genuine, down to earth caring person. So Compassionate, Kind, Considerate, all the good qualities a person can have. That was a wonderful video presentation dedicated to Karen. She will be missed by so many. We feel that this is not a Final Goodbye to her but would prefer to say; "Until We Meet Again".

“ *Karen was such a beautiful person, always thinking of others before herself. She always had everyone's best interests close to her heart. Karen walked among her fellow man as a helper, friend, and kind heart, she will be sorely missed. I have many memories of working with her, watching movies at her home, and talking on the phone. I feel she is an angel watching over us.*

*Much love,

“ Natalie and Marco I'm so very sorry for your loss. Your mother was one amazing woman. I have so many great memories of her that I will never ever forget. I always wanted to grow up and be just like your mom. So genuinely loving and caring. Such a wonderful mother to both of you. You could just see that both of you were her world. I babysat for you guys 5 days a week, and never once did I leave your house without a hug from your mom. I will never forget how much I always wanted my nails done professionally just like your mom. And for my 16th birthday she took me to her nail lady and had my nails done. She was an important woman in my life too. I will never ever forget her and I will always be thankful for having her in my life.
