

Kelly Marie Snay

August 8, 1985 - June 29, 2021

SNAY, KELLY MARIE Age 35 June 29, 2021

After fighting a lengthy battle with a rare disease, our beloved Kelly left us for heaven on June 29, 2021 at the age of 35. Beloved wife of Jeffrie Snay. Proud mother of Noah Snay. Loving daughter of Thomas (Helen) Harmon. Dear sister of Lindsay (Alex) Marietti. Dearest daughter in law of Bernie (Joann) Snay. Loving sister in law of Joshua (Karen) Snay, Michelle (Roy) Wolschlager & Barb Snay. Aunt of Jason, Walter, Lucy & Jennalise. Kelly will also be remembered by many other family and friends who will miss her deeply. She was preceded in death by her grandparents John and "Nana" Julia Gibson, Pete and Mildred Harmon, Uncle Bob Gibson, and Aunt Margie Brzozowski.

Despite enduring great suffering, Kelly continuously displayed love to those around her and was Christ-like in her display of grace and resilience. Kelly formerly attended Hopevale Church in Saginaw before moving to Macomb Township. Her family was very proud of her accomplishments in life, including achieving a Bachelor's Degree from Davenport University and working many years in retail, where she was known for her ability to connect with customers. Along with marrying her husband Jeff, Kelly's greatest joy in life was her son Noah, who continues to embody her outgoing and positive nature, kindness, and love of music.

Memorial Visitation will be held Saturday, July 10, from 1:00pm to 5:00pm with 4:00pm Sharing of Memories at Wujek-Calcaterra & Sons 54880 Van Dyke at 25 Mile Rd. (Shelby Township).

“ I've been blessed with 35 years of memories with Kelly. From the time she was born and that year taking her to her first crawling contest where she got a trophy, to all the many visits, family reunions and trips. Kelly, Lindsay and my Julia and Quin kind of grew up together. Kelly was the eldest and she was in charge. Julia was included in the dance routines and Kelly never acted too "old" to hang out with them. It was such a blessing when Noah was born and I could watch Kelly give him all of her love. I will remember Kelly forever and I will treasure being a figure in Noah's life. Noah knows that I (Mina) loves him so much and will be in his life forever.

“ I know your Hearts are breaking and no words can seem to ease your sorrow but Kelly was a special gift from Heaven.
Kelly had such natural Beauty inside and out. Her radiant smile so heart warming. She is in Heaven right now with Grandmother, Uncle Bob, Uncle Chuck and so many more.
I just can't imagine the Reunion they must be having and we will one day join that Homecoming.
Kelly as a young little thing was always so quite when I got to see her just taking in the world around her.
So many memories. So many precious memories to hold onto.
We cherish the times that we got to visit with Kelly.
Remembering the time we came out to Virginia and went to the beach, Kelly and Lindsay had so much fun playing in the sand and water.
Kelly was so excited as well as beautiful as a Bride.
Then the glow on her face when she shared with us at Barb's Reunion that she was going to be a Mom.
I cherish our talks we had about Motherhood.
Then when we got to visit at Lindsay's wedding, getting to talk about Noah, about Disney musicals and her and Sara even singing together.
Me, Barb and Kelly even got to have a few dances at the wedding.
Kelly was so full of life and so brave through all she endured.
She was also loved unconditionally by so many.
Kelly will live on forever in our hearts, when we hear a song she loved, or share a special memory, or see little Noah with her spirit for life.
My prayers for you are that God will send his angels to wrap their arms around you to comfort you, to give you peace and know you are never alone.
With All our Love
Barb, James, Sara & Lil Grace

“ Dearest Aunt Helen, Uncle Tom, Lindsay @ Alex, Jeffrie, Noah and all family: Somehow words don't seem enough to express the heartfelt sadness felt of Kelly Marie's heavenly departure but with God's grace He can comfort and give peace even though you may not feel like that right now but God has a way of healing broken hearts over time. May you know how much I love you and I am so thankful for the last memories in 2019 me and my sister Mary Ann made a surprise visit to see Kelly and you before your wedding Lindsay. Kelly always had a beautiful smile that would light up a room and it was so special getting time to visit though it may have been a short visit it was precious time spent together. Oh we talked and Kelly & Noah sang and oh yes the laughs we had for remember Aunt Helen we drove off and then realized Mary Ann wasn't with us and wondered what happened to her but it was meant to be for Kelly and her had a little more time to visit. We don't want to forget Kelly really enjoyed the cinammon rolls from the hotel that we brought over the next day. Sure we had other memories through the years also like the first time I flew to come for a visit in Connecticut while Kelly was just a little girl. Then was the time in Georgia me and momma came while the girls were little. Also in Saginaw we had a family get together and Kelly and Lindsay enjoyed theirselves for it was a fun visit.

I love you very much and I know our dear Kelly had some rough journeys through the years but thanks be to God for her having happiness, to have lived and loved and be loved and etched in our hearts we will carry the memory of Kelly forever. God be with each of you. With love and prayer, Patricia Brumley

“ Dearest Helen & Tom and Family,
I just want you to know how sorry I am for your loss. Kelly Marie was so precious and beautiful. She will be greatly missed & I know your hearts are aching with grief so I want to share a few memories in hopes of bringing a smile your way. Kelly as a little girl was full of happiness and excitement with one time in mind it was her Nana's birthday and she kept singing happy birthday and placing the plates around the table and finally I said this child wants cake. Another memory as a child she came to visit and just loved being here in the country and we went to Mammoth Cave and all of you were wowed with amazement. A memory of me coming to visit you in Virginia for three weeks while both girls were little and while Tom was out to sea we went to Washington and I held onto Kelly's hand and Helen you held onto Lindsay's hand to visit the sites and Kelly loved the history and wanted to read all of the information for both girls were so intrigued with America's history. We sure did have fun. There several years later the girls are grown and we are having a family reunion with Kelly getting married a beautiful bride Kelly was and it was a beautiful wedding. Wow sometime after that Kelly is having a baby a beautiful boy they named Noah whom is seven now. Bless Kelly and all the precious memories that were made over the years and I am so thankful she had a chance to enjoy childhood, she was a wonderful swimmer (she loved the water), she was able to get a bachelor's degree and work, own a car and drive, get married and have a son. Kelly was so special in so many ways and I love her and cherish the memories I have and her Uncle Chuck who passed last year loved her so much and though he did not get to see her a lot he made memories with her when we had a chance to come to Saginaw some years back and it sure was a special visit. God bless each of you Helen, Tom, Lindsay & Alex, Jeffrie & Noah and all family and friends. Kelly is resting in peace now and until we meet again God bless you with beautiful memories.
With all my love,
Mary Brumley

“ We mourn in the loss of our friend Kelly and for all those who knew and loved her. We rejoice that her suffering is over and that she is with her heavenly Father now and those loved ones who passed before her. Even though she has departed this world her light will continue shine on in the hearts of those who loved her most. For Kelly's sake please remember to take time to let the ones you love know how much you care. Our time is short...

Continued prayers for Jeff, Noah, and the rest of Kelly's Family.
