“ *The Campbell family extends our heartfelt sympathy, and sincere condolences, to the entire Stevens family, on Jim's passing. Jim, you served well, the community and its citizens. You did that, for many years, and were a dedicated officer. You had a fondness for strawberry pie. You and Nancy were friends, both here and in Presque Isle. You were an enthusiastic supporter of all things Community. That support culminated in a number of accomplishments that you were proud of. And rightly so. You've had a long tour. Now it's time to rest. Rest in peace. You've earned it.*

“ We are so sorry to hear of Jim's passing. My husband worked with Jim for many years.

We commended the loving care he and Nancy gave to so many foster children.

He was so very proud of his family.

Know that he is in peace with Nancy (the love of his life).

Our heartfelt sympathy to his loving family.

“ Our uncle Jim would dress up like Santa Claus and visit his nieces and nephews homes. I remember him picking me up and asking me what I wanted from Santa. He made a wonderful Santa and made our Christmas special for all those in the family that were fortunate enough to have this experience. He is loved and will be missed. Until we meet again. Cindy
