“ Kim was like a sister to me. She taught me the importance of family and what it is to be a mom. She was there every step of the way of my new life including raising my daughter. She loved Sophia like her own and will forever be Auntie Kimmy! I have so many memories to cherish with her. I am happy God brought her into my life, and devastated she left so soon.

“ Kim was such a special person to so many people, above all she was an amazing mom to her 3 incredible kids. She was a natural from the moment they were born, and I'm sure it's because she and her sister were raised by the very best parents you could hope for. My heart is with all of them right now and I hope they can find peace as they grieve this tremendous loss. Kim will be loved and remembered forever.

Diana D, my heart is broken for you and your family. I know how proud you were of Kimberly and how hard she worked to raise your grandchildren just like you raised her. She was a wonderful mom and daughter from all you have told me about her over the years we worked together. I am thinking of you with love and wishing you peace and comfort soon.

Kim was my good friend when I worked at Chili's! She was a bundle of Joy. We were great friends. I had the honor of bringing her to a wedding. We had so much fun. She always had a smile on her face. We ran into each other 25 years later in recovery. She was the same bundle of joy. We lost a great person. I have no doubt she is in heaven. God Speed. Your friend Bobby.

“ I enjoyed getting to know Kim over the past couple years. When Mia and my daughter started playing CYO soccer and basketball together, she would come up to me and start a conversation. I remember the one soccer game Fall of 5th grade. It was a warm fall Sunday afternoon. She was making her rounds through the parents as she knew the 5th and 6th grade parents connecting us together. I really got to know Kim 7th grade basketball season when she coached Mia and my daughter's team. I was the Covid mom ensuring all the precautions were taken so we could have a basketball season. I sat through every practice and at every game. She always made a point to come talk to me and ask me how I was doing. The friendship grew from there. Kim was kind, giving, had a generous heart and had the gift to gab. When we found out we are two Polish girls we knew why we could ramble on from one conversation to the next without completing the previous conversation.

I also enjoyed getting to know her parents as they were loyal fans at Mia's basketball games. She would share how wonderful her parents are and how much they helped her and the kids. Our heart breaks for you Louis, Elle and Mia and Mr & Mrs Dutkiewicz. My family and I have you all in our prayers! Deepest sympathy on your loss of your dear mom and daughter.

“ Kim had a way to make people very comfortable and at ease to talk with her. She was a genuine soul with love and compassion in her heart. I would make it a point to sit at the same table as her at meetings because to be around her was very calming. Fly high Kim, and my heart goes out to all her loved ones. This is such a tragedy.

“ I am not sure where to begin, Kim's light burned so brightly and she positively impacted everyone she met. I knew her a bit in high school, but when I started at Wayne State, she is the reason I pledged my sorority. I have so many fun and wonderful memories of her. She was a friend to all, with the brightest smile and the best laugh. I hope that her children and family can find peace in their memories and know that she will always remain by their side. Until we meet again Kimmy.

“ Kim was a sweetheart. She was the assistant coach for our girls basketball team in 7th grade. She always had a kind word for my daughter, and my daughter loved her! We are so sorry for this loss for Kim's family. We pray for the repose of her soul, and we pray for strength and God's peace and consolation for her family, especially her three beautiful children.

“ Kim was an inspiration to me during my early recovery and my hardest times. She didn't judge and only spoke on something when it was to help others. I admired her love for her children who she spoke of often, and of her journey in recovery. She didn't act like she knew more, even when she had years in recovery, rather shared her honest journey and even difficult times she encountered during her day to day life. I looked forward to hearing her speak. May God Bless Her in her eternal life and give her family strength to go on and continue to live in her love while carrying on her strength for she will live in them always. A mothers love like that never dies❤️

I miss our talks, our texts, our phone calls!! I pray for the family and her wonderful parents. God be with them in this time. Kim loved her children and her Husband beyond words. I will carry her smile in my heart and her words will bless me each day. I truly miss her beautiful soul..... Rest In Peace my friend.*

“ At Peter's high school graduation party, I ran into Kimmy on the driveway hanging out with another couple of girls from her grade (names withheld), and joined them for a bit. Kim made a request that I refill their beers from the keg in the back yard, into the red Solo cups they were using. It was pretty well known in the '91/'92 crowd that I didn't drink, so I thought that was a weird request. I asked why me, and she said, "Because we're afraid of Mrs. Filias!" So I refilled the drinks, and was walking back with them (three large, full drinks in flimsy cups, two hands... picture it) along the side of the house, and sure enough Mrs. Filias opened the side door and walked out right in front of me. She looked at me, at the cups, back at me... and I said, "They're not for me." She said, "I know. Go on." Mission accomplished. Troublemaker(s) lubricated and nobody in trouble.

My grade and Kim's were always fairly close, and I shared several classes with her over the years. She was always one of the nicest, most friendly girls in school. I only encountered her a few times after graduation, such as at weddings or reunions, but I'll still miss her. She was one of the good ones.
