“ Heartfelt love and sympathy to the Fornari Family during this very difficult time. Its been a long time since I've seen Mr. Fornari, but I always remember him with a smile and quick wit. May you find comfort in knowing you are all in the thoughts and prayers of so many.

“ Greg, Jackie, and Caroline,
I am so so sorry. It is hard to believe Mr. Fornari is gone. He was Mr. Fornari to me before I was old enough to call him Larry. He was Greg and Jackie's dad, my father's best friend, our neighbor that we loved and could always count on. Years later I introduced him to my husband and he made him welcome at "the shop". Where he and my Dad could be around their cars, their tools, and just be guys....you had better bring coffee though! The Wilsons love you. We were so lucky to have him in our lives. We are thinking about you, Cris and Bob

“ So sorry to hear about your loss. All the memories I have of Mr. Fornari are that he was a witty, kind, hard working and giving man and I never knew we shared a name until today (Angelo). He will be missed in body but will always be with you now wherever you are! Many prayers for all the family and friends that had a chance to have him in your lives. We are all sad but happy to know he is in a good place with many of our loved ones. Greg - you have so many friends just one phone call away! We are here for you, your mom, your sister and family. God Bless! Johnny Angelo, Christina Pierce and family!
