“ *Larry was a special person, loved by his Summerhouse family and will always be remembered. My favorite conversation with him was about his basketball playing days against Nate Thurmond who I knew at Bowling Green. Glad to know now he is at peace.*

*“ I became friends with Anne and Larry at our beloved “Summerhouse” in Florida. They welcomed me with open arms and we became fast friends. I loved sharing sports discussions with Larry between his Ohio State team and my Spartans. We watched many games together and had fun spats over the two teams. Loved his wit and humor. Have missed him a lot. Finally at peace Larry!*

*“ I have so many memories of my dear godfather and uncle! I will always remember him graciously opening his home shortly after I moved to Detroit while I apartment hunted. But I will especially treasure my last visit with him. Even though he didn't recognize me I saw glimpses of my funny, ornery uncle and I will cherish that memory always.*

“ So many memories of my Uncle Larry but the funniest one is of him playing charades with all of us kids one Christmas and having to act out “Chestnuts Roasting on an Open Fire.” I can still see his sly grin and hear his hearty laugh! I will miss him! ❤️
