“ Dear Stros family,
Please accept my deepest sympathy on the passing of Larry. Although I knew him only a fraction of his life, I got to know him well as a work partner and friend. Larry was one of the finest people I have worked with. He had an awesome sense of humor and humility. He talked often of how proud he was of his sons, Josh and Jake and the men they have become. He was excited to be a grandpa, and of course he loved his dogs. It was a blessing to know him. Larry Tunesi

“ Dear Shirley and family, my very sincere sympathy on Larry's passing. One of the nicest and fun memories is when I, my daughter Tamara and nieces Lois & Linda went downstate together for Shirley's 80th birthday party. Saturday evening a group of us went out to dinner— We had so much fun! Larry treated all of us; it shows the kind of guy he was. Wish I could be there with you. Look after each other and make good family memories. Love and prayers, aunt Mona Clark – Holsworth (wife of deceased husband Harold Clark), Shirley's first cousin. ❤️❤️
