“Wow. I just found out about Leonard. Can't say enough about him. He was a great boss and teacher and I credit him with helping me along the way in my career. Condolences to his family.

“Just this past weekend I found out from my old friend Mark Milhouse about Leonard's passing, very sad to hear, I am sorry for his family's loss. Leonard was my boss at Parliament for a short time in the early 80's, to be honest I was a lousy auto body designer but I think he put up with me because I could play golf rather well and he wanted to win the Parliament/Premier golf league. He and I were golf partners is 1982 and we did win the league, I still have the trophy and think about him every time I see it. The next year we had different partners so I was mysteriously moved to the CAD room where I found my true calling, true story.

RIP Leonard.

“Aw Kim, so sorry to hear about the loss of your dad. I never met him, but any man who can inspire such devotion in his kind and loving daughter must have been quite a guy. May you have peace reviewing all the lovely memories you've made. May God bless you and your family in your sadness. Joann Smith

“ I met Leonard in 1975 at Parliament Design as a 17yr kid new to the business. He was a mentor and patient teacher. To put it simply he was like a father to me. He spoke often of his family 2 boys and a girl. He put up with a lot as a boss, but always treated everyone fairly. A great jazz lover I would see his pride when talking about his son Keith and Keith's path to playing the sax. Over the years we crossed paths in the engineering business and was always a great guy to talk with and a good guy to help sort out the issues I was facing. One last memory he was fond of a good "manhattan" on a Friday lunch @ Roys lounge. Prayers and love to the Kaminski Family!

“ *Well, as a little girl, I have memories of this perfect couple I stayed with sometimes, fancinated by how many eggs Uncle Len could fry in that electric fry pan ~~ only thing I ever saw him cook~~ later it was Kielbasa & Sauerkaut his favorite. Great memory, being asked to waitress the great holiday parties Uncle Len & Aunt Marge had. Always together, being good sports and showed up to my 1st adult party! I always knew what to talk about to Uncle. All you had to do is ask about his kids! He loved to brag about them!*
As he aged and mellowed, he enjoyed every visit. He put up with me grooming him, showing endless pictures or videos of Keith playing (that he loved) ~ even my bad jokes and silly stories!
Uncle, now it's time to go play Pinochle with your big sister. She's been waiting for you! (so has everyone else up there)
Marty and I send our love and prayers to all the family.. xoxoxo

“ My Buddy and Friend have known each other since the second grade, we attended St. Lawrence grade school and then we attended Warren High, in the village of Warren.

When Len had his 57 T-Bird, we went to all the "Hot Spots" (drive ins) on Woodward, Gratiot, and also the drive ins in Utica area. We had a few drinks at a place called "The Lahonda(sp?) on Utica rd. One night I was looking for him--to ask if he would be my Best Man--I and my future wife, Del, found him at one of our "Hot Spots"--Ronnie's Drive in on Auburn road. He agreed. After the Wedding Ceremony, we drove around in his White 58 Chevy, with a 348 cubic inch engine in it.

So long Old Friend, you are the best. R I P
