“ *Sending much love to Patti and John and all family and friends. Leonard is such a wonderful, strong memory for me of my favorite times at the cabin in Port Sanilac. He not only was a great camper and team player with games but such a big help for my theater company's website. he knew how to take charge and follow through whether it was a barbecue or technological issue. Patti and Leonard made such a great team, may you continue to go forward in his spirit and be proud of what you have done together. Love Andee*
