“ *"Lenny was one of the best neighbors a family could ask for. He and Marcy became adopted grandparents for my children. He was also a great friend to my husband. I knew whenever my husband disappeared, I could find him somewhere talking with Lenny. I cherished the moments when he would show up at my girls soccer games! It meant so much to them and to us. I remember when he talked about retiring from teaching Sunday school at St. Rene's. He agreed to stay a little longer just so he could be there for my children. There will never be another neighbor like him."*
