July 14, 1958 - April 20, 2021

Linda Ann Bieschke, Harrison Township, MI July 14, 1958 – April 20, 2021

Linda Ann Bieschke, age 62, of Harrison Township, Michigan, finally met her Savior and entered eternal life with our Lord Jesus Christ on April 20, 2021.

Linda was born in Detroit, MI, on July 14, 1958, the daughter of Robert A. Bieschke, Sr. and Mary Ann Bojnowski.

Linda graduated from Sterling Heights High School with the class of 1976. She had a passion for helping others which led her to pursue a degree in nursing. Along her career path, she was a hospital nurse and a home health care nurse, until she finally found her home at Blue Cross Blue Shield of Michigan in August of 2012. She excelled at her position, and very much enjoyed her time as a team leader and case manager. It was her humble nature to always reach out to those in need and lend guidance to new employees. She was quite an accomplished guitarist in her younger years. Also, she was an exceptional artist, and her extraordinary gift of creativity was evident in most everything she touched. Her absolute love was children's ministry, and she put her heart and soul into it. Her gift of servant leadership was most dear to her, and she was a warrior for sharing the love of Jesus. She taught by example; humility, kindness, understanding, compassion, honesty, integrity, and thoughtfulness. She was loved, respected, and cherished by all who knew her, but most of all, she was a treasured aunt, wonderful sister, and a great disciple of Jesus.

Linda is survived by her brother, Robert A. Bieschke; sister, Lori A. (Adam) Tengler; and adored nieces; Shelby Jordyn Tengler, Rylie Nicole Tengler, and Jaidyn Lyn Tengler.

Please join us to honor Linda on Monday, May 3, 2021, at Bethesda Christian Church, 14000 Metropolitan Parkway, Sterling Heights, MI 48312. Visitation will be from 9:00 am – 11:00 am, memorial ceremony from 11:00 am – noon, with a celebration of her life immediately following. Linda will be laid to rest at Resurrection Cemetery. At the request of family, please consider memorial contributions to Bethesda Children's Ministry in lieu of flowers.

“ I met Linda at Bethesda Christian Church in the choir and in children's ministry. Linda was always so warm, friendly and full of the joy of the Lord. She loved to use her beautiful soprano voice to honor and glorify her Savior and to edify those around her. She was a joy to be around. I'm so thankful to have known her and call her friend. I look forward to seeing my lovely sister in Christ again in heaven. My thoughts and prayers are with her family and friends. God bless you.

“ There are few people one feels they can totally confide in and be themselves with. Linda was one of those rare ladies. She was beautiful in every way - an all around classy and elegant woman. Watching the video today of her dancing in children's ministry was a beautiful reminder of the joy she exuded everywhere she went. I am so blessed to have known her over the years, to have become good friends, and to have seen her grow immensely in her faith.

In the middle of some very painful moments, missing my friend, I am reminded to give thanks in everything. It's hard to be thankful that she is no longer with us. So, I have and shall continue to give thanks that she is completely well now and having a blast in her eternal home with our Lord. Praying that every family member and friend feels the comfort only the Lord can give during this difficult time.

“ I met Linda just a little more than a year ago through work. However, in that time, I came to know her quite well during our marathon phone calls. When we initially met, we'd Skype or text, but as time went on, there was too much to say for that, so we would often call. One of my first calls with her was over 5 hours long - definitely a record for me! In those long calls, we found much common ground. We've both had an extensive background in homecare, so there were many good stories to share. But the most important thing we shared was our faith. Linda's faith was unwavering and I can only describe it as vibrant.

I took over one of her cases at work and the gentleman was dismayed when I told him his case management was being transferred. He told me he always enjoyed his conversations with Linda because she was so positive.

And she was. She knew Who held her future, and while she had hopes dreams as we all do, she was very much at peace knowing that ultimately, God's plan for her would be perfect.

I pray for God's perfect peace and comfort, for all her family and friends.

“ We know Linda from the Adult Singles group at Bethesda Christian Church. Linda was a person who stood out to me like very few others have in my life. Aside from her natural beauty, poise, and her gentle voice and nature, Linda was always filled with peace and peacefulness. Not an awkward, hard-to-get-ahold of kind of peace that we struggle to obtain from the world, but one that was visible in her carriage, evident in her words, felt in her confident faith, and tangible in her presence. This was the peace that Jesus promised to give us and that truly "Passes all understanding" as it makes no sense to have this kind of peace in the world in which we are living. Despite the challenges she was going through, that she openly coveted our prayers for, she never once made it about her, but always about her faith in Him!

During this "distanced" year of covid, the two of us found ourselves "powdering our noses" together in the ladies room at church. This happened just three weeks ago, and I can see her standing across from me, once again, in her lovely, poised, gentle peaceful way, sharing her faith that the Lord is surely holding her in His Arms, Yesterday, at a glorious worship service at church, I went back to that spot where she stood and was filled with the reality that she is LITERALLY, PHYSICALLY in the Arms of Jesus, TRULY and COMPLETELY healed, and basking in the fruit of her lifelong faith.

We will be holding all of you, her family, in our thoughts, hearts and prayers.

God Bless you one and all,

Very sincerely,

Mary and James Visger

“ My name is Debbie Sirvio and I first saw Linda back in 1997 when I started attending Bethesda Christian Church. She always seemed to be smiling and always has a lot of people around her. I wanted to get to know her and somehow our paths never crossed. The Lord had called her to another church for a Time. I was disappointed and I said Lord I would have really have loved to have known her if there's any way we can meet somehow someday. Some years went by and then around 5 years ago I was supposed to work the visitor's desk but somehow I was at the front door greeting. In walks Linda and she says hi my name is Linda I used to attend Bethesda. I knew exactly who she was she couldn't believe that someone remembered her even though she really didn't remember who I was. We soon became friends and I was so excited that the Lord answered my prayer in his time. We didn't see each other all the time however we got to have lunch together a few times we would talk on the phone every now and then and Linda would give me beautiful advice. The moment that stands out is when we were in my car after we had lunch with other friends from the church and we talked for hours. She was a beautiful woman of God and she was very wise and she gave beautiful advice and I was so very blessed to have her as my friend. And even though I do miss her I know that she is with the Lord and smiling her beautiful smile.

“ A faith filled woman of God. Her love of God was evident, her trust in God was inspiring, her walk with God was an example to others in her life. She was strong and confident that God would heal her and he has. She never complained about her suffering in this world. I enjoyed getting to know her through the Bethesda Singles' group and bible studies. Rest in God's ever loving arms Linda. I'll see you when I get home. Love you sister.

“ It was an honor to be Linda's Aunt Gail. From shopping for her communion dress to watching her grow to the loving faith-filled woman she became was a joy. Linda loved a good laugh and was so glad to be able to help others as a nurse from home. She lived her faith ministry daily and spoke often of the love of Jesus. An admirable role model who will be greatly missed. Much love and prayers to Robert and Lori and family. Aunt Gail Bieschke

“ Linda was always so pretty, so attentive, and so caring. She was a wonderful cousin, and one of my favorite things was to sit down with her in a corner at family gatherings and catch up about our lives. She was passionate about her church and her work, and brought a special, bright energy with her everywhere she went. Her musical and artistic interests were inspiring. I will miss her smile and her laugh very much. Farewell, dear Linda.

“ Dearest Family & Friends, you all have my deepest sympathy. I'm so truly sorry for your loss. Linda brought such joy to all of us who were blessed to have her in our lives. Cherished are the times we shared and the memories we made. Spending time, or talking with her always left me feeling more peaceful and loved. Things were always better when she was a part of them. She'd light up any room she walked into. Her wisdom, guidance and testimony raised others up. I'm a better person for knowing her. She's helped me mature in my walk to become more like Christ. She was truly the hands and feet of Jesus here on earth. I thank the Lord for bringing Linda into my life!
