“ *Linda was always a glowing joyful person, You will missed but never forgotten. You were the most giving & thoughtful person we have ever know. I remember whenever our son Phillip had a birthday or received good grades in elementary school she would put 2 dollars in an envelope with a card. He always was so happy to receive these surprises.*

God blessings to you Bob & to your entire family.

“ Well, there aren't enough words to express how heavy my heart is and how lost I feel from the pain of losing my childhood best friend. Linda and I went through so much together starting back in seventh grade. She was my rock when I needed it and always knew how to make me laugh and smile. We raised our kids together and nothing could have prepared me for this sad time of never hearing her sweet voice again. I know I can count on you to be there to guide me when we meet again. Until then, I'll think of you and you'll be in my heart. Love, Fancy

“ While I only knew Linda for a short while we hit it off immediately. She did not see me as a stranger. She would always smile at me and say "I really like you". I will really miss her smiling face looking through the blinds waving. Linda may you rest in peace. We will miss you. Shirley and Douglas Nichols

“ We (Brian & Linda) were so sad when we heard about the passing of our sweet former neighbor, Linda. I (Linda) just saw her a few months back when I ran into her at Meijer. She was, as usual, getting ready to see her grandchildren. She loved talking about her beautiful family. She prominently flew the Blue Lives Matter flag and wore the Police emblem necklace for her son, a decorated police officer, of whom we are all proud of. Often I would see her pushing a stroller with one of the grandchildren in it, but usually I would see her walking next to Bob, her loving husband. It almost seems as if she is still here and I will run into her at Meijer again.

I will always remember her warm smile, shiny eyes and her cheerful greeting and conversation. As we have missed both Bob and Linda in our neighborhood the last couple of years, we want to share our condolences and love for Bob and Linda's family. Please know that our prayers are with you.

With Deep Sympathy,

Brian and Linda Bungard
