“ I worked with Linda for many years at Ascension. She was always so very kind and helpful. I enjoyed interacting with her because she was so great to work with. I know that she loved her family dearly. Those of us who knew her at Ascension will miss her.

“ I had the pleasure of working with Linda for many years.....first at Providence and then at the Ascension Michigan Corporate Services Building. It was always a pleasure to interact with Linda--she was such a kind soul. May you find peace knowing she is home with the Lord our God. Time flies--eternity waits. May perpetual light shine upon Linda.

“ I was saddened to hear of Linda's passing. As we go through life's journey we encounter people who have a major impact on our lives. Linda was one of those people in my life. She was a wonderful human being with a pleasant personality and we had many memorable experiences when we were together so long ago which included our first date and attending all of our high school proms. I have scanned in and included some photos from those memorable times and added a photo taken of Bob, Fran, and my brother Ron years later when he visited them. My thoughts and prayers go out to the Courneya family who, back in the late 60's and early 70's, made me feel like I was part of their family when Linda and I were a couple. I still remember eating dinner with the family at the dining table with the built in Lazy-Susan the family used at meal time. One of my fondest memories is when Linda and her sisters would break out dancing while listening to their favorite Motown songs. While Linda and I went our separate ways many years ago, we were fortunate enough to meet up again a little over a decade ago and become friends. I will miss that friendship. May you rest in peace Linda.
