“ Rest In Peace sweet friend. I am so sorry your life was cut short before you got to enjoy retirement. I so enjoyed all those years of chats with you and sharing my chocolate with you. You were so kind to me and willing to help me so many times with my problem files. Even after I moved to the Upper Peninsula, you called to see how I was doing. So like you to care about someone else.

To Linda's family - I hope you can find some joy in knowing how many friends she had at the U.S. Attorneys office. Please accept my sincerest sympathy.

“ My heart hurts to hear the sad news about Linda. She was a sweet, kindhearted person who deeply loved her family and spoke often of them. I'm glad I had the privilege of knowing her and working with her. She had quite the sweet tooth and we enjoyed sharing chocolate and chatting during our breaks. I'm going to miss this special lady. My thoughts and prayers are with her family and friends.
