My thoughts and prayers are with all of you. Mama Lois you have been a fighter all the years I've know you and I've known you since the mid 70'. It's time now for you to seat back and get a card game going with all your friends who are in heaven and just relax. You are healthy now with God's loving arms around you. He will show you the way. To your love ones please remember there are Holes in the Floor of Heaven and she will always be looking down on all of you. Lois say hi to your buddy Carmela she will have a dish of pasta waiting for you. Miss you love Annie and the girls....

“ *I am so honored, and grateful, that I got to know Lois as a Hospice volunteer over the last two years. She was an amazing lady -- so upbeat, smart, and funny. She enjoyed spoiling my little dog during our visits and always made sure he had a stuffed animal from her collection. She once gave him a fleece blanket and insisted I wrap him in it on the way out because it was raining :) She loved sharing memories and stories about her life, and she never lost her sense of humor. Every week I asked: "How are you feeling?" Every week she would answer: "With my fingers." That's Lois. She added so much to my life and I will miss her tremendously. My deepest condolences to her family, especially her wonderful daughters and grandchildren, who meant so much to her. She won't be forgotten.*

Much love... Kelley Guthrie (and Guppy)
