“ *Lorenzo !!! A friend like you does not forget: a friend like you remembers every day at all hours because it is those like you who make friendship beautiful, who make the people they love feel special, who value even the single past hour together. In short, a friend like you is forever, and if I had to choose to go back and see an important person again, well, my friend, that person would be you. Yes, because it's you that I miss more than anyone else. R.I.P. Lorenzo always in our hearts Vito & Sara*
