“ Louise and I were childhood friends growing up in Berlin, NH. We were inseparable until she joined the Air Force after H.S. graduation. She came "home" every year to visit her family and we would get a few hours together with our spouses to catch up on our lives. I looked forward to those visits with her and Ron and even Ethan came a few years ago. It was the best visit. I especially enjoyed spending time together at our class reunions. Louise always remembered everyone and I was so lost without her at our 45th last summer--it will never be the same. We had the best time in elementary and high school and summers were awesome. May you rest in peace, Louise. With deepest sympathy to Ron, Eric, Ethan & Christine who were the total loves of her life.

“ I love this picture of Louise and her grandson Ethan having a wonderful time Apple picking, one of my favorites. Louise was a wonderful person who liked to spread joy through her creative talent and love of crafting. She was like family to me, and was there for all of my life's events, big and small. I loved her dearly, and she will be very missed. I hope she is having a wonderful time crafting and quilting again at last in heaven

“ Louise was a special women, she had a kind heart and was very giving. She was a helping hand to all those she could and a friend to talk to about anything. Some of my fondest memories of Louise are the chats we would have and seeing how much she loved Ethan and her family. Louise would remember the little things like giving me angels for my birthday every year. When I see them I'm reminded of you. You will be deeply missed!

“ Louise was such a lover of animals. We knew Sophie, Shadow and now Layla. Always spoiled little dogs by her and Ron too. I am sure Layla misses her as much as all of us do.

“ Louise was such a nice neighbor and friend. She always made a cute craft for those of us who participated in the neighborhood progressive dinner. She also organized such a nice get together for everyone on our street in our park. You will be missed Louise. RIP.

“ Louise was the kindest, helpful, caring, and loving woman I have ever met. She and I shared so many moments with our sewing. Many laughs and helpful hints about our sewing. She was a true friend who came a distance to pick me up to go to sewing because I couldn't pick up my machine and she was going to do it for me. She went out of her way for everyone. She will be so missed by all of the Quilting Sisters from Wednesday. Fair well my friend.

“ Louise was one of the sweetest people I've ever known. It was an honor to know her and have her as a friend. I will always remember my time with her, making crafts and playing games. She faced everything with humor and a smile. My deepest condolences to her family. She will be missed dearly.

“ Louise was the most loving person. My daughter was so lucky to have her for a mother-in-law. Ethan loved his memere so much if you were to describe what the perfect friend was like you could describe it in one word “Louise”!!!! Prayers to Ron, Eric and his family. We will miss her terribly but we have so many memories and wonderful treasures she made us to remind us always of her love for life, family and friends and of course her deep love for Ron

“ I can't believed that Louise is gone, she is a very unique person, kind and loveable, she always threw jokes out of the blue and always smiles like everything is gonna be ok,.I'm sure Layla missed her, layla always gets a treat from her, she loved her dog and of course Ron she loved him dearly...very nice knowing and working with her, she would asked me about my squirrel. ...sometimes at Daycare, people asked, if I was her sister, before I can answer them, she would say, yes, with a blinking eyes., she's very funny.
