Lucile Ann Demanski, beloved wife of Gregory and mother of Laura, passed away October 23, 2021. A passionate and creative educator, she taught elementary school, including gifted and talented students, for nearly 40 years in Warren Consolidated Schools. Lucile was a member of the Alpha Delta Kappa international women teachers' organization, serving as president of her local chapter and on the Michigan ADK board. “ *I had Mrs D for 3rd grade. She was my favorite teacher. So many amazing memories. From doing cursive lessons with our special fountain pens to reading “where the Sidewalk Ends”. We had sing alongs and listened to Neil Diamond! When I was going to college to become a teacher, she let me come and observe her class. She was an amazing person and we were blessed to have had her as our teacher. If I end up half as good a teacher as her I will count myself lucky! Thanks for sharing her with us at Pearl Lean! I will miss Lucile. I enjoyed working with her on PR for WCS. She was such a lovely person. Great to talk to and fun to go to lunches and dinners with. She always knew the good places to eat and fun card games for "Poker on the Porch." I love the hand blown glass Christmas ornament she gave me years ago. I'm glad to say that Lucile was a friend.

Having been a friend of Greg's for more than 50 years, I am pleased that we became even better friends with he and Lucile in recent years. In addition to sharing a love for our daughters who are of similar age, we shared a love of cats. I'm sure that Maggie will miss her, as will we. It was always a 'treat' to visit with Lucile and Greg as the 'goodies' were 'yummy'. Rest is peace lovely lady.

I had Ms. Demanski for 3rd grade in the 1989-90 school year at Jefferson Elementary. I had a thought to see what she was up to and was sad to learn of her passing. I will remember her introducing us to Bunnicula, that 'asters' poem she said we'd remember forever (only parts of it stuck in my head but thank you Erin Taylor Czerniak for sharing), the Valentine's Day Post Office she set up, and the Chinese language lessons we got from some high schoolers.

Rest in Peace Ms. D. You are remembered.
