“ *Marcelline was one of our patients at Hematology Oncology Consultants. She was my favorite, always so positive and always looked forward to her coming in. I am so happy I had the joy to meet a beautiful soul like hers. I did not see her much anymore because I moved offices but when I was going back to that office I always made sure to look at the schedule to see if I was going to be blessed with her presence that day. I will forever remember you ! RIP Ms. Weiss :(*

“ Ms Marcy was my kindergarten teacher. She left such a impression on me with her kindness and faith that even after 60 years I never forgot her. I was so glad to see her again at a dinner for her on June 2 2019 at the Polish Century Club. She remembered all of us. It was wonderful to see her!! May you rest in peace Ms. Marcy! And may God welcome you with open arms!!

“ Marcy was a great person. I have great memories of her. when I was a kid she took me and her niece all over the place. We went shopping, to the St. Clair Shores pool, she would take us skating, and many other places. I love you Marcy and you will be missed. I remember all the talks we had. You were a smart and beautiful person, You will never be forgotten. R.I.P my dear friend.

“ Marcy was my dearest friend. In fact, she was more like a sister, someone you could share the good times and the bad times with. Every holiday, she would send a card with a special message inside. I think that she kept Hallmark in business.

She always asked about my family. She knew them as well as I do. She never forgot my grandsons. On Easter, she would give me a candy bag for each of them no matter how old they were. In return, I would always save some Honey Baked ham for her. My grandsons will always remember her thoughtfulness and kindness.

She will be missed by all! Enjoy your heavenly reward, my dearest friend!

“ On behalf of the Capuchin brothers I offer my deepest sympathies on the passing of Marcy. It is truly humbling to receive memorial donations in honor of Marcy's life. Please be assured of the brother's prayers for the entire Weiss family during this great time of grief. May perpetual light shine upon Marcy.

“ Miss Marcys mom was one of my Grandma Emily's closest friends. I had known Marcy my entire life. I believe my Aunt Charlotte was Marcys godmother. She consistently stayed active in our life until the passing of my Gram and Aunt. Then sadly we lost touch. I have many many memories of Marcy and her mom. I will always remember her sassy and very direct personality. RIP Miss Marcy❤️

“ I have so many memories of Miss Marcy and the Weiss family as they were our next door neighbors. From chatting over the back fence to sitting on their front porch in the evening. Marcy and I had the chance to reconnect because she would be invited to parties and family gatherings at my brothers house Dave and Sue. The “old neighborhood reunion “ kept us in touch as well as phone calls and cards. I will miss Marcy so much. She touched so many lives and had so many friends. Prayers are said for her and for the family.
