“ We could never have imagined that the young neighbor who brought us a welcome gift during that cold winter night in December of 1965 would become one of the strongest positive influences in our adult lives.

Al's generosity, caring and strength of character were unique in this world, and we are proud to have been his friend.

The Trecapelli family has been one of life's great blessings for us. We hold dear to our hearts all that we have shared throughout the years.

With all our love, Tom and Dorothy

“ We are so very sorry for your loss. There are so many fond memories of Alfred from my childhood. Each memory of him reflects his kind, gentle and loving spirit. Though he had health challenges in the last several years, that never changed his positive outlook. He lived through it with grace and dignity.

We hope you find some comfort in knowing and remembering the great love he had for each of you. Nothing meant more to him than his family.

We will always remember Alfred and smile when we do.
Love, Maria & Stuart

“ My memories of Alfred go back to Italy. As our brothers and father left Italy to start a new life in Canada, Alfred and I were left behind with our mother and sister until it was our turn to leave Italy and join the rest of our family in Canada. As life took us on separate journeys we remained close. I will miss visiting Alfred. We enjoyed many conversations about our early days in Italy, I will always treasure those visits. Although, we were separated by distance we maintained a strong bond Alfred was a very special person, and I will never forget him.

“ *One of the absolute highlights of my time growing up in Brantford was getting to visit my Uncle Alfred and Auntie Anna and cousins, Tony, Bobby and Ricky in Detroit, and getting to experience firsthand the joy, love and laughter that permeated their home. “ Alfred was a gentle soul who cared deeply for his family. He showed courage and bravery despite the fact that his medical conditions were severe at best. His needs were always secondary to the needs of his family. His determination to remain positive and optimistic was something to admire. Alfred will be missed because of his essential goodness and his ability to show genuine love toward his family and friends. I always thought that it was a privilege to be his sister.
