“Maggie was an amazing person. One thing i learned about Maggie, (and I learned quickly) Family was the most important thing to her. She always always loved being around her family. My favorite memory of her was when I married her son Bill, She hugged me and said "welcome to our family" I knew by her saying that to me with a tight hug, I was part of that family now. She will be truly missed. I know she's up in heaven with her free spirit, peace signs and tye dyed is everywhere.Love you maggie
