“ I loved working with Margaret and thought she had wonderful patience and a calmness to handle the ego's and multiple personalities that comes with hospital management. She was a pillar of calmness and always a spring of optimism. She will be greatly missed. May perpetual light shine upon her soul and may the souls of the faithfully departed rest in peace with Margaret.

“ I was one of Miss Margarets care givers. I will forever be grateful for getting the chance to know such a strong woman like her. She was an amazing woman and never gave up.

“ Margaret was a 'pillar' in the Providence Hospital Family. Her dynamic personality and skillset was that of a definite leader. I had the privilege of working for Margaret in the Performance Improvement dept at Providence for several years. I remember her being so understanding and supportive during a time I was taking care of my elderly mother and had to juggle work-family commitments. I hope and pray Alex and Bridget; and family that you find the strength, hope, & courageousness Margaret always displayed.

*Her grace and spirit will remain in your hearts forever...*

*Peace be with you,*

“ Margaret was a dear friend from Jr. High and High School. We shared many thoughts and values and many good memories. I will always remember quiet talks, cheerleading, playing records, camp and sleepovers. So much of who we are can be influenced by our friends and Margaret was so kind, fair and had a genuine grace and good soul. My dear friend you will be so missed. Leslie Sellers McKenna

“ It was with great sadness that I learned of the passing of Margaret. She was my boss and mentor for over 15 years. Even after I moved to Georgia, we kept in touch by phone, for Birthdays and with Christmas cards. Alex, she always talked about you; she was so proud of you. When you were young and in daycare, your Mom entrusted me to bring you home on the nights she had to work late. Those rides are some of my fondest memories. Your Mom accomplished many great things at Providence but having you for a son was her greatest. You and Bridget are in my thoughts and prayers.

Sincerely,  
Susan Smith

“ Dear Alex and Bridget,  
Thank you for sharing your mother and sister with all of the Providence family. The long hours that she was away from you and the dedication to healthcare made such a difference to so many of us at Providence. I hope that in time, knowing this will bring you comfort.  
Sincerely, Kelly Adomeit Evans

“ Thank you Margaret for giving me the opportunity to work with you and your wonderful team in Quality back in 2012. You were so inspirational with the way you spoke to people and treated everyone with respect. You could handle all the situations that you crossed. I am so saddened to hear of your passing, such a wonderful mentor. Thank you for sharing your stories of success with me especially the story of your biggest success, your son. Your family is in my thoughts and heart. Erica Lemons

“ I was so saddened to hear of Margaret's passing. We were college friends and later worked together. She was a kind and generous friend as well as a very proud mom. She will be missed.

“ We are so sorry to hear about Margaret's passing. My son, Devin, played hockey with Alex for years when they were starting out at the Onyx and then later for a spring at DSC. We spent so much time together at the rink, restaurants, tournaments, summer clinics and then back at the Krim's after. One year, the team traveled to Indiana for the Irish Cup tournament. Unfortunately, during a snow storm. All the families left super early to be on time for the late afternoon game. The storm was a bad one. The team kept in contact by text as we traveled down the turnpike. Margaret and Alex got off the turnpike to travel the "safer" side roads. They were super late after sorting out the a fender bender . The rest of the weekend was great as we shared team dinners, swimming pool duties and then took home 2nd place in the Irish Cup. As the boys moved on to different teams, us hockey moms still met up for Hockey Mom's Night Out. It certainly didn't happen as often as we would have all liked, but oh what fun we had. In the last few years, Margaret, Colleen and I met up at Penny Black. I will miss those nights out with a glass of wine and a spread of happy hour appetizers to share as we shared the latest about the boys. Alex, my heart goes out to you. You are in my thoughts and prayers. (And on my wall - We see you daily. We have a few pictures from when Devin and Alex played on the Rochester Red Wings and the Serpent's, even one from the snow bank tournament) If you ever needed something, please reach out.

With love - Jim, Michelle, Devin and Braxton Doherty
