“ *Marianna was becoming something great in life. I was so proud to be her friend. Chuck and my brother are super close so I was lucky to be in hers and Gracie's life alot, especially when Grace was little. I loved babysitting her so much. She was the last person I would have thought to see RIP all over social media. This really hits close to home and just sucks really bad. Love you Vince & Elaine and I give you my condolences* 💕💕

“ My sister loved you dearly. She even had your name tattooed on her and you had hers. You were so upset she passed that you started a fundraiser to help women in need that need guidance and try to better themselves. This really hits close to home for me. I pray Gracie and your family is okay. I am praying for them to heal. Love you so much. U were so funny and a great whole hearted person! Now your with Val and Sammy in heaven. Rest in paradise!!

“ Marianna was the best friend I ever had, we had our little spats but in the end our devoted friendship never wavered. She was beautiful inside and out! Had the most beautiful soul I've ever encountered in this lifetime. I love her and her daughter grace like my own family and I'm beyond devastated by this loss as I'm sure so many others are. This was completely unexpected and never in a million years would I have ever believed I'd be writing this now. Shine on in heaven my beautiful friend until we meet again. I love you ❤️😞
