“ *HI You all!!! My name is Jane and I am one of the YA YA.s! I loved your mom and spent many good times with her at Maryvile , the Beach and with our Ya Ya friends. Nini and I loved walking the beach and talking about recipies and all the good times we had.  
Her recipies for Spendie, Fettuccine and eggplant Parimigiana are the best. Will always remember her beautiful smile !! She was a gracious Lady who love Mater. I will cherish  
the Mater picture she gave me many years ago! May she rest in peace in the arms of  
Mater and Jesus. May god Bless you all. She dearly loved her family!!  
Love, Jane Teed*
