“ A few years ago I felt blessed that I met Ms, Vitale. Unfortunately, Ms, Vitale's health was in decline. She was born the same year as my mother who passed away four years also from declining health.  
Ms. Vitale was a very nice lady who loved her kids Anthony, Caroline, and Charles very much. I know what it feels like to eventually lose both parents. The closure is very final. I wish the best for her kids and hope that they can all get along because life is so short and family is very important.  
Anthony, Caroline, and Charles my condolences for your loss. I wish you the best for your family and each other.  
Ms, Vitale if you see my mom sitting with Jesus say hello for me.
