“ I never was able to meet you, but my son Matthew did and he loved you! Spoke highly of you and always wanted me to meet you. Needless to say, my prayers have been with you in your suffering and will continue as I pray now for your soul. Rest in peace beautiful lady.

“ Aunt Marilyn and Uncle Frank sure knew how to host a party. We have great memories of family parties at their house while growing up and festive Christmas parties as adults. Aunt Marilyn was a fabulous cook and made sure there was a constant stream of home-made dishes throughout every party. And if she knew you had a favorite dish, she would make it for you and tell you that she remembered how much you enjoyed it the last time you were at her house.

She was a gracious and loving wife, mother, grandmother, sister, aunt and friend. Her family was her number one priority and her love for them was clearly obvious when you talked with her and watched her eyes light up as she described their accomplishments and achievements. She was proud of her children and grandchildren and her bond with her twin sister was the best anyone could ever hope to have.

Our deepest condolences to Danny and Karen, Randy and Julie, Kenny, Frankie and your families. We hope the love of family and friends helps to ease your heartache and the pain you are feeling.

With heartfelt love,  
Sheila and Tom
