“ I worked with Marion for many years. She was a very devoted, Hard working person. She was always the first one to arrive at the office and the last to leave. she did her job flawlessly. she asked no more than to be treated fairly. we had many lunches to discuss the subject. I will never forget her care and kindness to the patients and myself. I will never forget her laughter and work ethic. i will miss her. Rest in peace old friend.

“ Marion will always hold a special place in my heart. Twenty years ago she left her home in Florida for a few months to help her mother care for her dying step-father, my dad. He died in comfort and with dignity thanks to her. When I asked how I could ever repay her, she humbly said, "Pass it on." She will always be remembered as a giving, loving, vibrantly beautiful mentor. Thank you Marion. Say "Hi" to our folks in heaven.

“ Marion was a wonderful woman. She was thoughtful and cheerful and anytime I spoke to her she had a smile to give or a word of encouragement . I feel blessed to have known her. We became friends through her mother, Francis whom I adored. We were neighbors for several years and Marion would take good care of her mother when she began to fail in her health. I always admired Marions' energy and zip! I will miss her. I didn't get to spend as much time with her these past few years and I regret that but I know she is at peace and with the Lord and for sure singing in the heavenly choir with her beautiful voice! May God rest her soul.
Fond memories.....
