“ Mark was special to my sons, Michael and Vincent and me. He was one of the uncles I could count on. As a young single mom, I would call on Uncle Mark to be a male role model. He never let us down. He loved children—playing Santa long before his own babies came along. My boys loved visiting his fire station—they were (and still are) truly in awe of him, as most of us are. He loved Mary and his family with all his heart. I am blessed to have known him and he is sorely missed. My love to the Semaans.

“ Mark you were a devoted Husband and Father. You met no strangers. You filled so many lives with love and laughter. Our family will never be the same. The world is a much better place because of you. May Heaven be as beautiful and peaceful as I can imagine. Hug all of those who have gone before us. I bet they will be joyful to see you. Until we meet again. Love you now and Forever.

“ Mark was the kind of guy that was always helping out, always there when you needed him. A former retired firefighter, Mark got his real estate license and joined KW Lakeside. I was training/coaching back then and he was in the first Ignite Class taught in the brand new training center. Mark not only became a professional, he excelled his knowledge beyond and was a great Realtor to work with! When I asked him to join WCR and help out on the golf committee, there was no hesitation. When I asked him if he would be interested in running for a Director position for the Grosse Pointe Board of Realtors, he did, he volunteer for lots of events at KW Lakeside. Everyone who knew you has lost a great friend, my heart breaks for his family. You will be missed my friend.

“ Dear Seeman Family, We mourn the Chiefs passing with you. His sudden death is so hard to accept and process. I will always remember him as a 100% gentleman and I will forever be grateful that we chatted at the recent retirement and promotional ceremonies at the Department. He was so loyal in attending. His reflections of his career were always full with a spirit of great pride in serving as a STFD member. May his legacy of service live on through those who continue to serve, especially his two sons. Eternal rest and peace to you BC Seeman. Miss you already Brother.

“ It was pleasure and an honor to have worked at th FD with you. Memory to share.....how about the day an army of us moved a grand piano to your house on a snowmobile trailer? How about the day I stopped to see you in my department car, in uniform and your boys decided to wash the car and me with the garden hose? Thanks for the smiles brother.

My favorite memory was his visit when Nicole was about you came to see your brand new great nephew who was a month old in LA Mesa. Nicole was 15 months old. You were always a "baby whisperer" until Nicki started to cry around you. I felt so bad until you picked up a very crying Eric. He calmed down immediately. Later in life you were the surrogate father whom Nicole worshiped and adored. You're still irreplaceable Mark.

The world lost an extraordinary person, but you left behind a remarkable footprint. I feel privileged to have crossed paths with you at KWL - like so many others feel today. Your enormous heart will leave a lasting impression on the minds and soul of so many...including me. Thanks for all the conversations, memories, and twin talks. You will be missed, my friend.
