“ Our love and prayers are with the family at this time. I have happy memories of Aunt Martha as a child. I can remember the aunts coming to our house for their monthly card games. She was there to give a helping hand to our family when we needed it.

“ *I was Martha's caregiver from Home Instead. I stayed in contact with her husbands daughter on Facebook and learned she had passed. I'm so sorry for everyone's loss! She was such a sweet soul! I was just talking about her the other day to another client about how special she was. I loved painting her nails whenever I came over and she loved it too. Her winks! Goodness I LOVED her little winks. She was the type who you'd say "I'd put her in my pocket and take her wherever I went." She was one of my absolute favorite people in the whole world!*

“ Oh it was such a laugh for her when she would write a check in a store and the address on the check said she lived on Oxford street in Grosse Pointe. Oh how she loved the Royal treatment they gave when they saw that address. She found it so funny. That was her great humor that she found in so many things in life.
