“ Mary Lou Driskoll, I am sad to hear of her departing, she was my friend and co-worker. She was affectionately known at work as "my love " I have many great memories of laughter and fun. I will always remember her for her de rigueur and vogue style in dress. My heart is heavy and I will miss her dearly. "Rest in heaven My Love"

“ Larry and I are so very sorry for your loss. We knew both Doug and Mary Lou for over 50 years. Larry knew Doug from Chrysler and I met Mary Lou at Holy Cross hospital. Mary Lou had such a zest for life! She lived life as if each day might be her last. I remember the Chrysler ladies night parties and the Holy Cross Christmas parties. Just a year ago we were planning her stay with us here in FL. Our agenda always included shopping at Bealls, lunches out on Matlacha and meeting her brother her sister. When we were in MI we always had to plan a lunch or dinner out and she usually had a 'great new place to eat'. There was always such joy and laughter around Mary Lou. My favorite memory of her is all the clothes she packed for a few weeks in FL. She had enough to stay for months! To not have to pay airline fees for overweight luggage, she packed a large box with clothes for us to bring north in the spring...she still had to pay for overage! My friends remember her as the friend with the box of clothes. I will miss her excitement and enthusiasm. Her joy and love. Her kindness and caring. She is with Doug again and ever so happy.

“ Our thoughts and prayers for strength and courage are with all of you. Will remember the fun we had on Alper. A party starting with something as simple as discussing the best way to get rid of a bee hive, that turned into drinking long island tea, and sending the kids for white castles on the Driscoll's front lawn. Progressive dinners with the neighbors. Many good times!

“ To the family of Mary Lou Driscoll,

Please accept the heartfelt condolences and sympathies on the passing of Mary Lou. She was a vibrant long time friend and fellow golfer. Though our relationship started with a Chrysler/Doug friendship, it grew into a fine couple alliance. Through the years, we have been blessed to love Doug, Mary Lou and girls. The world lost a shining light with a wonderful giggle/laugh.

We wish we could be with you during this challenging time but due to Covid-19 and advanced age we are forbidden. That does not stop our love for you all, nor our hopes for your peace.

“ Dawn and Coleen, your mom and I became fast friends over 25 years ago. Thru out these years, you and your families were a huge part of our daily conversations and over the years. She was so proud of each of you and yours and she loved you to the moon. I've never had a better friend. Peace and joy, Mary Lou

“ My heart is broken into a gazillion pieces. However, I will share a sweet memory. Grandpa's cabin, Babe and Chuck's bedroom
Mary Lou always the fashionista, pulled out her petticoat from her poodle skirt (1957) and she put it on me and swung me around. I was around 7, she around 14 or 15. I felt like Cinderella with that wide taffeta petticoat that touched the floor. One memory in a giant field of memories. My heart goes out to you Dawn and Colleen and all others feeling the deep and bitter loss.

“ I am so sad to hear of the passing of Mary Lou. We were neighbors for many years and our girls grew up together through elementary school. There were many birthday parties they all attended. Then, there were our neighborhood parties — the 4th of July, football season games, the progressive dinner parties and so forth. Mary Lou and Doug were so fun to be around. They always added something special to all events. Those were wonderful times. Sending my sincere condolences to Dawn and Coleen. Your mom was an amazing woman and will be so missed.

“ Many years ago myself, my mom and Linda Molitors took a girls weekend and booked a suite at the Homestead up North. Marylou met us at a bar and bought us all a Spanish coffee because I said I had never had one. Well, that was our 1st of many that night! We laughed, we sang, we walked the beach of Lake Michigan and ended up going in the lake fully clothed! Any time spent with Marylou would surely guarantee you a fun time! She was one of a kind, of that you can be sure! I thank her for such a wonderful memory. See you on the other side Marylou.

“ Growing up in elementary school, Dawn and Colleen were some of my closest friends. We lived two doors from each other and Mrs. Driscoll was one of the “moms” on the block. She was elegant, fun, kind and with eyes that seemed to never stop smiling, even when she got mad. I can still hear her chuckle and exclaim “oh, Dede!” when we had the occasion to see one another when I was grown. If she was half as beautiful, funny, sweet and sharp as I remember, she was extraordinary, indeed. Sending much love to Dawn and Colleen, and all who loved Mary Lou..May her memory be a blessing.

“ I loved talking to Mary Lou; she was one of the happiest people I ever met. Her eyes would light up and sparkle and oh that smile! We will miss sampling her drink concoctions and discussions on how to tweak them! I know she's in Heaven with your Dad and our Heavenly Father, Watching down and Smiling upon her beautiful family.

“ What an amazing woman! And the ultimate hostess. Mary Lou never failed to make everyone feel welcomed, appreciated and included. From her sincere gaze to her fabulous cocktails, she was truly one of a kind. Her passing will leave a huge hole in our hearts. Our summers at The Old Club won't be the same without her.
