“ *I will miss just stopping in to have a cup of coffee, a cookies or just sitting on the back deck visiting with her, when her daughter Lori and I were just coming back from going somewhere. Also I had a few mothers left on my list that rec'd my home made candies throughout the year. Last box she just wanted me to make chocolate dipped marshmallows for Easter and Mrs. Krzesak, always looked forward to getting a box from me. The trips to the casino, to dinner somewhere, or just taking a drive out to Marysville. I could always count on her to take my left over buttercream frosting after baking a cake. She always had a smile on her face, never complained about anything. I can still hear her say "Oh Lori, you don't have to do that. She was her families rock. She never wanted people to go out of their way for her. She was just an amazing woman who I will cherish forever and never forget her smile! Rest in peace, and I hope you find your Leo, so you can be together again. You will truly be missed, but never forgotten.....Cheryl*
